

Heleen Johnson

QUALIFICATION & FOCAL POINTS

- **Occupational Therapist**
- **Learning problems, developmental delays and support**
- **Early Learning and Primary School**

Heleen is a Consultant Occupational Therapist with thirty years experience in the field of Paediatrics.

Her expertise lie in developing new play material, consulting on Special Needs Education and training educators on the proper use of educational toys.

As the Director of Active Learning Libraries South Africa, she gained valuable knowledge about the training of how to use toys most effectively and in the setup of toy libraries. She shares this knowledge and her experience as an Occupational Therapy Consultant, leading seminars and workshops around South Africa.
