Teachers’ Workshop

How to practically implement CAPS through Education Materials into the Foundation Phase

TW-008

What is the Workshop about?
Special guest speaker Heleen Johnson will conduct an interactive workshop about fitting the Curriculum and Assessment Policy Statement (CAPS) into educational play, with an emphasis on the subjects; Maths, Language and Life Skills in the Foundation Phase.

The workshop will cover how educational toys can support learners during classroom exercises and how educational toys can be used as teaching aids to enhance your teaching experience.

Discover the multiple uses of educational toys and it’s impact on learners and how it can enhance your teaching abilities.

Who is the Speaker?
Heleen Johnson is a Consultant Occupational Therapist based in Gauteng with thirty years experience in the field of Paediatrics.

Her expertise include developing new play material, consulting on Special Needs Education and training educators on the proper use of educational toys.

When & Where will this workshop be held?
This workshop will be held in 2014 in Johannesburg and Pretoria. Simply turn to the next page, fill in your details and reserve your seat today!

What is included in this workshop?
• R250 discount voucher for educational material per school
• Refreshments
• Certificate on completion of the workshop
